

2017 APAHE SPONSORSHIP FORM

"Building Bridges and Connecting the Generations: 30 Years of Activism and Inclusion"

**Preconference on April 5, 2017; Conference: April 6-7, 2017
Oakland Marriott City Center
1001 Broadway, Oakland, CA**

As a national higher education organization representing Asian and Pacific Islander Americans, Asian Pacific Americans in Higher Education (APAHE) is dedicated to enhancing the educational opportunities for Asian and Pacific American students; promoting and supporting the hiring, retention, and advancement of qualified Asian and Pacific American faculty, staff, and administrators; and creating a better understanding of issues in the public affecting Asian and Pacific Americans in higher education.

APAHE originated in 1987 and has grown from a largely California based organization to a national non profit organization. It is the only organization whose sole mission is to develop programs and address issues impacting Asian Pacific Americans.

During these most challenging times in higher education, we must remain vigilant to maintaining an agenda that embraces diversity and provides for many forums by which to improve our institutions. The annual APAHE conference is scheduled for April 7 and 8, in Oakland, CA. There are many ways that you and your institution can be represented at the conference. The conference is an excellent way to communicate the mission of your college/university as well as to recruit individuals to apply for position openings on your campuses. Sponsorship will enable your organization to be fully represented at the conference through conference registrations as well as an ad in the printed program.

We thank you for your past interest and support of APAHE and for your support of issues and agendas affecting Asian Pacific Americans and our allies, and hope that you will be able to continue your support this year.
