

EMPOWERING LEADERS.

At the Los Angeles Community College District, we confer degrees and certificates upon a diverse student body at our nine colleges. We provide an affordable education and skills training to prepare students for four-year institutions or careers in biosciences, hospitality and tourism, technology, transportation and logistics, and more. We've been revamping our infrastructure, building our faculty, and working hard to help guide our students on articulated pathways to fulfilling careers.

We deliver results.
